

About Us

Leadership That Delivers Management Group (LTD) looks to partner with our community and local businesses to provide our clientele with the best business solutions possible. One way we plan to do this is to provide support through our ACCESS Business Solutions Center (ACCESS).

Our Services

Our ACCESS Center offers a lobby attendant, web-based technology, and supportive business services that are accessible from anywhere you are. In addition, we will provide your business with fully furnished offices and workspace to maximize your professional presence.

With a professional business address in a prime location, receptionist services, mail forwarding, lobby and directory listings, access to conference rooms, administrative services and supports, resident agent, notary, license hanging and more.

ACCESS is your business support center.

Who We Are

Leadership That Delivers Management Group (LTD) is an ambitious innovative consulting company. LTD was established by a team of business professionals who are CEO's of their own respective companies. LTD's philosophy from its conception has been to hone in on our strengths, talents, abilities, and resources to comprehensively provide *Leadership That Delivers*.

Mission Statement:

"We will meet or exceed our customer's individual desires by providing outstanding leadership that delivers quality support, business resources and professional services."

LTD offers a holistic approach for Business Solutions and **Consulting**. Simply put, we provide your organization with an objective point of view. We will focus on providing personalized services utilizing the "next practices" to transform your organization's efficiency, productivity, and resources. Our goal is to develop a strategic plan of action that will optimize your organizational goals.

Executive Coaching helps businesses and their personnel identify goals that will lead to a healthy and productive work-life balance. LTD will help your organization achieve this level of stability by empowering participants to explore, analyze, and reflect on their life experiences. Our team will help you develop a personal plan to maximize your network and manage your resources. Our goal is to promote personal and organizational growth. LTD believes that the answer is within YOU!

Leadership That Delivers **Professional Development** programs are created to strengthen your skills immediately. Applying them to your professional life allows you to expand on your knowledge base, skill set, as well as, stay current on workforce trends. Our goal is to provide you with a competitive edge!

Our **Leadership Training** has helped develop outstanding business leaders. We focus on strategic decision making, self-discipline, and self-confidence. Motivating individuals and teams with the self-awareness to realize the leadership within YOU. Contact LTD to move from managing your organization to leading your organization.

A life of success and achievement is a direct result of utilizing the power of positive thinking. Let us help you with and through **Motivational Speaking**. Your thoughts are the most important asset you have. The truth is your thoughts are responsible for whatever state of mind or circumstance you may be facing. The power of positive thinking will yield good results. Contact LTD for your next business retreat, community event, or speaking engagement. Leadership That Delivers will tailor a presentation to meet your needs.

The culture of an organization breeds an organizational climate, which represents how members of a company experience their workplace. LTD's **Organizational Management** services will assist your company to identify areas where productivity can be increased to maximize your overall performance. We will employ evidence based practices that will ensure a plan of action based on quantitative and qualitative methodologies and tools.
